

St. Mary's Parish UPDATE

As we begin returning to Daily Mass June 1st and Sunday Mass June 7th

- If you are not feeling well, stay at home—remember you are Dispensed from Mass Obligation by our Bishop.
- Be PATIENT—we are not back to “normal” yet—please greet & treat one another like they are JESUS Himself.
- Please ENTER church from the side entrance. You may EXIT through any door.
- Please listen carefully to the Ushers and follow their instructions.
- Wear a mask when you come to Mass & during Mass; please bring your own “sanitizer” with you; and observe social distancing at all times.
- People having trouble getting around should sit in the front row or in the chairs provided, so Father can easily get Holy Communion to you.
- Families that live in the same household should sit together in the two center sections of pews.
- Singles & couples should sit in the side aisle sections.
- If you bring things to church with you [prayer cards, booklets, Bulletins, etc.] be sure to take them with you at end of Mass. NOTHING is to be left in the pews.
- If you need a missalette, let us know. You may have one to use at Mass AND then you need to take it with you and bring it back with you each time you come to Mass.
- EXIT Mass during the Recessional Hymn—Please do not congregate in the church or outside—Go straight to you vehicle.
